

MMHP is seeking a Licensed Clinical Social Worker to assist the Behavioral Health Manager. This position is responsible for ensuring that MMHP patients have full access to integrated Behavioral Health services. This job is to be based in Augusta, Maine, with statewide travel required.

Requirements of the Social Worker

- Mental Health Degree required: LCSW, LCPC, LSMC-cc, MSW –cc
- Current driver's license with a clean driving record for the past 3 years
- Reliable transportation
- Ability to work in community settings both independently and on a team
- Working knowledge of social work principles and practices, staying abreast of best practices and emerging treatment modalities.
- Knowledge in the use of diagnostic tools and techniques, including the most current DSM in use
- Ability to work a flexible schedule including some evenings and/or weekend hours
- Bilingual Spanish/English with proficiency in speaking and writing in both languages preferred

Benefits of the Job:

- Generous Paid Time off package
- 11 paid holidays
- Medical, Dental, Vision
- Relocation assistance
- Retirement plan

Responsibilities of the Social Worker:

- Assist the BH Director in implementing MMHP's BH program, ensuring its patients have full access to behavioral health services.
- Provide BH services through in-person and telehealth sessions.
- Maintain presence at mobile clinics where appropriate.
- Provide integrated care, including consulting and referring within clinical teams, as well as providing screenings, brief interventions and psychotherapy.
- Act as a training resource to providers, staff, and community health workers.
- Assist BH Director with the planning, managing, and execution of the SUD prevention and treatment program for MMHP patients.

Improving the health status of Maine's seasonal workers and their families by providing culturally appropriate care and services.

Maine Mobile Health Program is a community health center focused on supporting Maine's agricultural workers and seafood processors in accessing healthcare.
